

## **FRIDAY 6 MAY 2016**

### **QUALIFYING STAGE**

**Length:** 3,70 km

Stage closes at: 07:00

Free Practice

1st Car Timetable 09:30

Qualifying Stage

1st Car Timetable: 12:23

**Description:** The special stage is located close to the Service Park and has been used as Shakedown in the past. It starts with a narrow and fast downhill section of about 1 km, and then it stays narrow but noticeably uphill for the next 1,2 km. It ends with a wide, fast and downhill part.

### **ACCESS TO SPECTATORS**

#### **1**

**Coming from Athens** on the National Road Athens – Lamia, exit at Lamia junction and continue towards Larissa – Stylida. In 4,83 km turn right at the exit towards “Lamia Industrial Area (VIPE Lamia) – Agia Paraskevi”. After the exit, at the T-junction with the BP gas-station on your right, reset your odometer and turn right towards Stylida. Follow the road book and after 3,35 km park your car at the plateau and walk on your left for about 180 meters in order to reach the 1,04 km of the stage.

**Coming from Thessaloniki** on the National Road Thessaloniki\_Lamia, after the new toll station you’ll see the exit towards “Lamia Industrial Area (VIPE Lamia) – Agia Paraskevi”. After the exit, at the T-junction with the BP gas-station on your right, reset your odometer, turn right towards Stylida and follow the road book.

**Coming from Lamia city center** follow the road towards Nea Magnisia – Agia Paraskevi – Stylida. In 1,7 km, after passing Agia Paraskevi village, you’ll see on your right the exit from the National Road

towards Lamia Industrial Area (VIPE Lamia). At the BP gas-station reset your odometer, turn right towards Stylida and follow the road book.
